Re: Letter of Recommendation for Greene's Inc.

To whom it may concern:

I am writing this letter of recommendation for Greene's Inc. We at Campbell Construction Inc. have had Greene's do work for us for over 11 years.

The work they do for us is professional as well as very reliable.

We have had Greene's do concrete cutting, pouring of both flatwork, and forming as well as demolition.

We plan on continuing to use Greene's for our concrete work.

Greene's has always done a great job for Campbell Construction Inc.

Please feel free to contact me with any questions you may have in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Russ Campbell', is written over a horizontal line.
